STAFF & COUNCIL REPORTS:

John Brockmueller – Chief of Police

- Greetings to the council. Report in writing, operations are normal.

Bryan Morris - PW/CD Director

- The report is in writing.

Michelle Whitten - Treasurer

- The report is in writing.

Jim Buzzard - Legal Counsel

- All operations are normal.

Duane Crouse – Mayor Pro Tem

- Recently attended the Opioid Dinner at the Centralia College and Fire Commissioners meeting. It was nice to see an orchestra concert going on at Mayme Shaddock Park. It was cool to see the park being utilized this way. Officer Chief Nichols will be missed and appreciate his contributions to the city during his time here.

Don Webster – Councilor 3

- Attended the Charlie Kirk Memorial last Friday, and it was nice to see all the people that showed up to attend. It felt nice to see the people of our county come out. He understands that we might be getting a turning point here at the Napavine School.

Ivan Wiediger – Councilor 2

- He understands that there have been some complaints about Tiger Meadows and the dust created by the fill coming in. Bryan has taken care of it because they are now watering and have a sweeper that is running up and down Woodard Road now, keeping the street clean and clear.

Shawn O'Neill – Mayor

- Shawn and Beth worked at the burger wagon last Friday at the football game against Onalaska. It's always a great time! Scott Boettcher reached out from the Flood Authority to inform about funding a study and we are at the top of that floodplain. At this point it looks like we are being included in some funding and studies to include some ways that we can slow the water down up here on top of the hill and potentially its effects downstream. It was verified that it is not a restrictive study, and it will not hold us back from anything that we're doing. This is a way that we can contribute to the cause of looking after our neighbors. Scott mentioned that he's appreciative of everything that Duane contributes to the flood authority group. There was an incident at the school and the feedback received back from Shane was stellar and the situation was handled well. You guys are superstars and much appreciated.

Paula Sandirk – Funtime Festival

- Hoping to have the lighted parade at Christmas time. She will encourage people from Funtime Festival to participate in the Trunk & Treat at Halloween. There will be a Christmas tree from Aldrich Berry Farms again this year.

- NONE.

CITY OF CHEHALIS ANNEXATION UPDATE – CITY MANAGER, STACY DENHAM

- City Manager, Stacy Denham is going around to talk with people about the City of Chehalis moving forward with annexation. The annexation will connect with Napavine city limits. The City of Chehalis provided the City of Napavine a Notice of intent to annex the Chehalis Urban Growth Area & thirty-day comment period. The 30-day comment period started on the 18th and will end on October 18th. On October 20th a Public Hearing will be held at the Board of County Commissioners. The biggest thing for Stacy is that if you have any questions, please reach out to him. It's important to keep open lines of communication. He's looking forward to working together with the whole annexation process. Just a few points to make is that after the public hearing, there has to be a consideration period. There is no designation on how long that period is going to be. But then the City of Chehalis at that point and County Commissioners both have to vote on whether the annexation is going through or not. Once that occurs, guessing November, then it will go to the Boundary Review Board. Estimated timeline should be around January 15th unless something comes up that moves that date. Councilor Brian Watson asked what the
